The Unique Entity Identifier (UEI) is one of the data elements mandated by Public Law 109-282, the Federal Funding Accountability and Transparency Act (FFATA), for all Federal awards. SAM.gov is the Federal government's primary database for complying with FFATA reporting requirements. OMB designated SAM.gov as the central repository to facilitate applicant and recipient use of a single public website that consolidates data on all federal financial assistance. Under the law, it is mandatory to register in SAM.gov.

The UEI will be assigned when an organization registers or renews its registration in SAM.gov at www.SAM.gov. To access SAM.gov an organization is required to have a Login.gov account. Organization can create an account at <https://login.gov/>. As a reminder, organizations need to renew its sam.gov registration annually.

Foreign-based organizations: Must apply for a NCAGE code before registering in SAM.gov. Go to: <https://eportal.nspa.nato.int/AC135Public/CageTool/home> to apply for a NCAGE code. NCAGE codes must be renewed every 5 years.

It is in the organization’s best interest to check if their CAGE/or NCAGE codes are active. Organizations are required to register/or renew their CAGE or NCAGE codes **prior** to registering or renewing www.sam.gov . Both registration and renewals for both CAGE and NCAGE can take up to 10 days. Organization’s legal address in NCAGE/CAGE must mirror www.sam.gov.

www.sam.gov requires all entities to renew their registration once a year in order to maintain an active registration status in SAM.gov. It is the responsibility of the applicant to ensure it has an active registration in SAM.gov.

If an organization plans to issue a sub-contract or sub-award, those sub-awardees must also have a unique entity identifier (UEI number). Those entities can register for a UEI only at SAM.gov.

Organizations must apply for a registration in SAM.gov prior to submitting an application and submit proof of having registered. All organizations applying for grants (except individuals) must obtain this registration, which is free of charge.
