PRE-SOLICITATION NOTICE

PR10821875 A/E Sewer System Replacement - Arnona

The Embassy of the United States of America in Jerusalem, hereby provides the following Pre-Solicitation Notice in respect of the issuance of a Request for Quotations (RFQ) to:

PROVIDE A/E SERVICES TO REPLACE THE SEWER SYSTEM AT 14 DAVID FLUSSER STREET, ARNONA - JERUSALEM

A/E service to replace the sewer system at Arnona; estimated construction cost $100,000 - $250,000.

Firms responding to this announcement on or before closing date will be considered for selection using the following evaluation criteria in descending order of importance:

- Relevant, professional qualifications of the firm in the type of work required for projects having a construction value of at least $100,000 and not less than $50,000 for A/E services with a list of contracts and clients for similar projects that were held by the offeror/firm over the past three years.
- Specialized experience and technical competence in the type of work required;
- Demonstrated success on similar projects in terms of quality of work and compliance with performance schedules, cost/schedule controls and program/project management techniques. Briefly describe internal quality assurance and cost control procedures and indicate effectiveness by listing budget/estimated construction cost, award amount, final design estimate and construction changes for five recent projects. Although previous or ongoing performance of a similar U.S. Government contract is not required for firms responding to this solicitation, if such contracts have been performed, the offeror must have performed at a satisfactory level; and
- Personnel capacity to accomplish the work in the required time.
- Licensed consultant and registered A/E firm valid in Israel.

The Embassy will select for negotiation the licensed firm that demonstrates the best qualifications. Replies to this advertisement with a completed Standard Form 330 (attached), must be received no later than 11:00 am Jerusalem local time on Thursday, June 23, 2022 to JerusalemProcurement@state.gov using: “PR10821875 A/E services to replace sewer systems at Arnona” as the subject line.
Firms shall be knowledgeable in written and spoken English and shall possess all permits and licenses required by local law to perform the services. Solicitation and award will be subject to the laws and regulations of the U.S. Government.

A/E Contractor is required to provide his/her certification regarding the National Defense Authorization Act (NDAA) clauses (52.204-24, 52-204-25 and 52-204-26). See certification instructions in Exhibit A.

A proof showing that Contractor has already started the SAM registration process. SAM registration “System for Award Management” is required for contracts exceeding US$30,000.00. See Exhibit B and the following link for further instructions:

Thank you.
